Kwelanga Training

Dear Ms van Rensburg,

RE: Time management course

The Food Gardens Foundation would like to thank Kwelanga Training institute for their service and for offering a course that is much needed. The Time Management course is indeed mind opening and life changing. It truly helped us to re-focus on our work and make us conscious of how we manage our time daily.

The facilitator, Sally Millet was great in delivering the course.

We look forward to working with you again in the future.

Thank you. Conscious

Yours sincerely;

Ms Zola Sihlangu
