Kwelanga

Ref: Client testimonial

I have been dealing with Kwelanga Training for 4 years now in my capacity as Customer Service and Training Manager. I would not hesitate to recommend them or all your training needs. Their service is always efficient and friendly, the course material is interesting, relevant and to the point, and the facilitators do a great job of engaging all delegates and maximising the value that can be attained for my company's training Rands.

Regards

Derek McCarthy
