TRAINING APPROACH

The primary objective of our training is to ensure that the knowledge acquired is applied successfully, adding real value and **making a visible difference to work performance** in the business environment. The courses have a strong focus on an outcomes based approach and are facilitated on a highly interactive basis encouraging active delegate participation using:

- Role-plays
- Break-away sessions
- Relevant business exercises
- Presentations
- Demonstrations
- Questionnaires
- Discussion activities and
- Case studies

High emphasis is placed on learning through ‘doing’ where learners are presented with real life and workplace case studies ensuring delegates develop knowledge and confidence to take their enhanced skills back into the business environment and apply them successfully. The group leaders are trained to create a comfortable atmosphere where delegates can evaluate themselves and their skills, generate ideas and solutions to problems and plan suitable growth in the workplace.

POST COURSE ASSISTANCE

“Contact the Coach” – Bridging Learning for Business Results

We offer a continued learning relationship providing **FREE** access to post course support to embed the knowledge gained. Our advisors are subject matter experts in each area of specialisation.

Delegates can “Contact the Coach” for support, information or assistance with additional questions regarding the application of theory covered during the course.

Personal Accountability & Commitment Plan

Kwelanga is determined to promote and encourage accountability and behaviour change once delegates return to the work place. A Personal Accountability & Commitment Plan is therefore included in each course presented.

Facilitators will guide delegates through the recording of action plan items and will encourage them to show their Personal Post Course Accountability & Commitment Plan to their up-line on their return to work so accountability is created. This tool will also be useful for monthly one-on-one development discussions.
